

Keep Freegal Music Downloads

Transferring Freegal Content from an Apple Device to Your (Windows or Mac) Computer Using iTunes

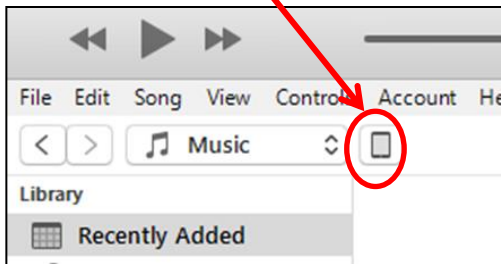

1. Using a cable, connect your Apple device to your computer.

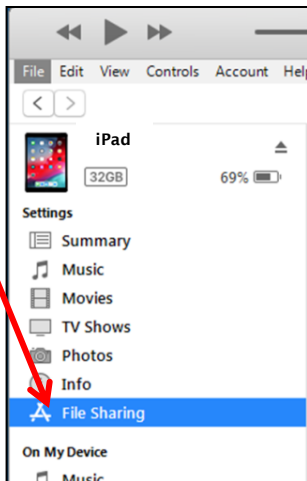

2. Open iTunes on your computer and locate your device on the left side of the iTunes panel under **Devices**.

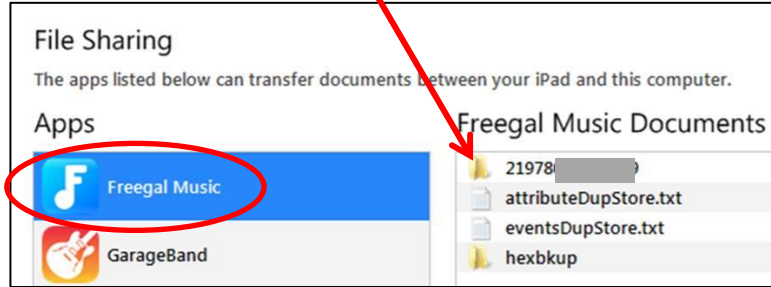

3. Click the Device button at the top left.

4. Click **File Sharing** on the next screen.

5. From the list of **Apps** on the next screen, select **Freegal Music**. A folder named with your library account number (**21978...**) will appear to the right.

6. Click on your library account number folder and click the **Save** button at the bottom right to choose where in your computer you want to save the files.
