## **How to Register and Track Minutes**

### **ONLINE**

New this year, we are using software called Beanstack in which participants can register for adult summer reading and track progress. Visit [indypl.beanstack.org](https://indypl.beanstack.org) or simply search "Beanstack" in the Apple App Store or Google Play Store and follow the instructions.

### **BY PHONE / PAPER**

If you prefer to track your time on paper, that works too! Once you have completed an activity, give us a call - we will register you over the phone. Then, you can call again after more activities to enter a virtual drawing and redeem your free tote bag (while supplies last).
