The Indianapolis Public Library presents

IMAGINE YOUR STORY

SUMMER READING PROGRAM

June 1 - August 1, 2020
Choose Your Own Reading Adventure and Win Prizes!

Set your goal of how much time you want to read this summer and chart your progress!

Books from home, library books, ebooks, magazines, graphic novels, and audiobooks all count towards your reading goal! You choose what to read and when you want to read it! Just keep track of the time you have spent reading or have listened to someone reading to you.

Prizes are earned when you have read for 1 hour, 5 hours and 10 hours.

Prizes include books, drawstring backpacks, tickets to an Indianapolis Indians game, Eiteljorg pass, The Children’s Museum Guild’s Haunted House pass and other surprises!

Watch for additional information about how to redeem your prizes. Prize quantities are limited.

Prizes may be redeemed through **August 8, 2020**.

How to Register and Track Minutes

ONLINE

New this year, we are using a tool called Beanstack where participants (or their parents) can register for summer reading and track progress. Visit indypl.beanstack.org or simply search “Beanstack” in the Apple App Store or Google Play Store and follow the instructions.

BY PHONE / PAPER

If you prefer to track your time on paper, that works too! Just use the chart included in this brochure. Once you reach the one hour milestone, give us a call - we will register you over the phone and confirm that you have earned your first prize! Then, you can call again after reaching the 5 hour and 10 hour milestones to redeem those prizes.

**If you would like to register a group for the Summer Reading Program, contact a branch for additional information!**
Summer Reading Rules

1. Prizes are earned for 1 hour, 5 hours and 10 hours of reading.
2. Books may be from the library or from your home library.
3. Minutes are not transferable between individuals.
4. A total of no more than 10 hours will be awarded to any participant.

Family Read-Aloud Rules and Adult Participation

By acting as mentors and reading aloud to young children, including babies, toddlers and preschoolers, adults help prepare children for reading success in school and motivate older participants to become confident, lifelong learners.

Children who are unable to read may log minutes and earn prizes by listening to parents, siblings or caregivers who read aloud to them.

Older children who read to younger children may also log those minutes.

Adults do not receive credit for reading to children. Ask about our Adult Summer Reading Program.
Record Your Reading Time to Reach Your Goal of 10 Hours!
