AS THE ICE MELTS – FISHIN' WITH CLINT

Age Level: 6-12 **Registration Required, Occurs at multiple branches**

Where do fish go when it's freezing, literally? Join Clint to learn more about what happens under the ice for fish and other critters, and how things change as the ice melts.

DRUM IT OUT! WITH ARTS FOR LEARNING INDIANA

Age Level: 6-12 **Registration Required, Occurs at multiple branches**

Kids will discover their own rhythm through hand-drumming and recreational music-making activities. Self-esteem, teamwork, reading skills, and creative self-expression are all addressed in this music program from trained health rhythms facilitator Jalynn Simmons with Arts for Learning Indiana.

THE MONON TOWN MUSICIANS – A CHILDREN'S OPERA

Age Level: 6-12 **Registration Required, Occurs at multiple branches**

Enjoy a variation of the classic children's story "The Bremen Town Musicians" as told through opera. This story weaves in the music of famous composers like Mozart and Verdi while teaching children about believing in themselves and understanding others. Presented by the Indianapolis Opera.

SPRING BREAK STEAM

Age Level: 6-12 **Registration Required, Eagle Library**

Join us for a special Leap Into Science Workshop sponsored by The Franklin Institute. In this workshop school age children will learn about lights and shadows. Children can take their STEAM kits home. Please note this workshop is open to 12 registrants.

STEAM TEAM FOR HOMESCHOOL - PLANTS

Age Level: 6-12 **Registration Required, West Perry Library**

School age children (ages 6 and up) will learn about the new West Perry native plant garden as well as take home a seed to watch it develop. Limited spaces available, registration is required.

TEEN CHEF

Age Level: Teens **Registration Required, Occurs at multiple branches**

Want to upgrade your skills in the kitchen or build on the cooking knowledge you already have? Join Nutrition Services in a hands-on cooking workshop that merges healthy eating with culinary skills.

TEEN ESCAPE ROOM – THE LAST HOPE

Age Level: Teens **Registration Required, Occurs at multiple branches**

An enemy from the Empire has enabled the self-destruct on your ship. You've been locked out of the safety mechanism and your ship is about to explode. You have 30 minutes to find the deactivation box key. Use the Force to uncover the clues that will save your ship.

TEEN ZONE AT LAWRENCE

Age Level: Teens, Lawrence Library

Teens ages 12-18 are welcome to join us for crafts, gaming, homework help, and snacks after school. Registration is not required.

WARREN TEAM STEAM

Age Level: 6-12, Warren Library

School-age children ages 6 - 12 are invited to engage in a variety of STEAM activities. Try out games, coding, art projects, and more. Participants will have a chance to get hands-on experience with various areas of science and technology while boosting their creativity.

YOUNG SCIENTISTS

Age Level: 6-10 **Registration Required, Garfield Park Library**

Children ages six to ten are invited to learn about topics in science, technology, engineering, and math through fun and interactive activities.

SPANISH CONVERSATION CIRCLES FOR KIDS – ONLINE WITH SPEAK SPANISH NOW!

Age Level: 8-12 **Registration Required, Online**

Wednesdays, Online at 4:05pm

For ages 8-12, beginner Spanish students are invited to practice Spanish conversation skills in a comfortable and welcoming place.
