This Addendum, issued prior to submission of a Quote, alters, amends, corrects, or clarifies the ITQ documents to the extent stated herein and does thereby become a part of the ITQ and the subsequent Contract Documents.

**Response to Questions:**

**Q1:** Is this project eligible for the AES Indiana Business Rebate & Incentive program?

**A1:** Yes. IndyPL supports any vendor as a Trade Ally who wishes to include the potential rebates in the preparation of their quote. Any vendor who elects to include the potential rebate in their quote will be fully responsible for the preparation of the rebate submittal documents. IndyPL will not be responsible to the vendor for any expected but unrealized rebate amount not received as part of the Program.

Pre-Quote Conference Notes dated February 21, 2022, with Sign in Sheet.

End Addendum 1
Pre-Quote Conference Notes

Date: February 21, 2022
Time: 1:00 PM
Attendees: Emery Dowe – E&R Electric
           Austin Conner – ATEC
           Chris Tomalewski – IKIO
           Melinda Mullican - IndyPL
Prepared by: Mike Coghlan - IndyPL
Regarding: ITQ Wayne Lighting Upgrade Project

1. Welcome, Introductions and Services Overview:
   .1 Attendees completed the sign-in sheet.
   .2 The project is to install additional fixtures in the space.
   .3 Questions and clarifications are to be sent via email. No questions will be accepted after 5:00 pm on March 2, 2022.

2. Substitutions:
   .1 Refer to the ITQ for fixture substitution request procedures.
   .2 No requests will be accepted after 5:00 pm on February 28, 2022.

3. Quote Procedure:
   .1 Quotes are due by 4:00 pm on March 9, 2022. May be submitted by email. The Quotes are to be received at the Library Services Center, not the Wayne Branch.
   .2 Public opening to follow at the Library Services Center and Virtual.
   .3 Must be on the Vendor Quote Sheet and Non-Collusion Affidavit.
   .4 E-Verify Affidavit required.
   .5 MBE/WBE/VBE/DOBE Utilization Goals Plan for Construction Goods/Supplies and Services required.
   .6 72-hour Post-Quote Waiver if requested by IndyPL.

4. Questions.
   .1 How will we run power to the fixtures?
      Answer: Surface mounted raceways painted to match the wood ceiling and/or wood beam are acceptable.
   .2 Can we use a lift?
      Answer: Yes. IndyPL will make accommodations to store a lift in the building if requested.
   .3 Can we store materials in the building?
      Answer: Yes. IndyPL will make accommodations to store materials in the building if requested.

5. Tour of the site followed.
