I. BACKGROUND AND GENERAL INFORMATION

This Invitation to Quote ("ITQ") issued by the Indianapolis Public Library ("IndyPL") seeks Lump Sum Quotes from qualified vendors to provide carpet replacement construction services ("Services") for the Central Library Atrium Carpet Replacement Project ("Project").

All existing carpet tile removed as part of the Project shall be repurposed or recycled. A reclamation plan will be a required submittal for the Project.

IndyPL is committed to supporting and encouraging economic growth and business opportunities in Indianapolis and Marion County by strengthening IndyPL’s relationships with minority, women, disability, and veteran-owned business enterprises by providing an equal opportunity for utilization in all IndyPL business.

In July 2020, the IndyPL Board of Trustees, with Resolution 28-2020, adopted these Minority/ Women/ Disability/ Veteran-Owned Business Enterprise Utilization Goals:

- The utilization goal for Veteran-owned Business Enterprises (VBE) is three percent (3%).
- The utilization goal for Disability-owned Business Enterprises (DOBE) is one percent (1%).

Each Vendor, as an express condition for IndyPL's consideration of such Vendor Quote, waives any right to access to such information in other Quotes. No Quotes or supporting documentation will be returned to Vendor.

   Vendors submitting a Quote shall recognize that IndyPL is a public body and, as a public body, IndyPL is subject to disclosure requirements and must abide by public record laws. Neither party shall be liable for disclosures required by law.

IndyPL reserves the right to accept or reject any or all Quotes received because of this Invitation, to negotiate with any qualified sources, or to cancel in part or in its entirety this ITQ, if it is in the best interest of IndyPL to do so.

   IndyPL will evaluate Quotes based upon the effectiveness of the perceived performance as it relates to IndyPL's Specifications and Plans. 8. **Inconsistency or Error in the ITQ.** Any Vendor believing that there is any significant ambiguity, inconsistency, or error in the ITQ shall promptly notify IndyPL in writing of such apparent discrepancy. Failure to so notify IndyPL by the Quote Submission Deadline will constitute a waiver of claim of ambiguity, inconsistency, or error.

9. **Vendor Errors or Omissions.** IndyPL is not responsible for any Vendor's errors or omissions.

10. **Addenda.** IndyPL shall not be responsible for any oral instructions given by any employees or representatives of IndyPL concerning the Invitation instructions or Services as described in this ITQ. 12. **Modification or Withdrawal of Quote.** A Quote may not be modified, withdrawn, or cancelled by a Vendor for ninety (90) days following the Quote Submission Deadline and each Vendor so agrees in submitting the Quote. Quotes may be withdrawn, altered and/or resubmitted at any time prior to the Quote Submission Deadline. Notice of presubmittal date withdrawal must be in writing over the signature of the Vendor and may be submitted to IndyPL by facsimile or electronic mail transmission. If by facsimile or electronic mail transmission, written confirmation over the signature of the Vendor must have been mailed and postmarked on or before the Quote Submission Deadline.    b. Pursuant to Indiana Code 5-22-16.5-8, the invited Vendor is not engaged in any investment activities in Iran.

15. **Exceptions.** It is the intent of IndyPL to award a Services agreement on a fair, competitive basis. For this reason, IndyPL may view the notation of any "Exception" in response to any material conditions or requirement of the ITQ as an attempt by the Vendor to vary the terms of the ITQ, which, in fact, may result in giving such Vendor an unfair advantage over other Vendors. For this reason, IndyPL will, at its option, not allow exceptions to any material requirement if, in the opinion of IndyPL, the exceptions alter the overall intent of this ITQ, unless the exception would be of material benefit to IndyPL.

16. **IndyPL's Right to Disqualify for Conflict of Interest.** IndyPL reserves the right to disqualify any Vendor on the basis of any real or apparent conflict of interest that is disclosed by the Quote submitted or any other data available to IndyPL. The right of disqualification is at the sole discretion of IndyPL. Any Vendor submitting a Quote herein waives any right to object at any future time, before any body or agency, including but not limited to, IndyPL, or any court, to IndyPL's exercise of its right of disqualification by reason of real or apparent conflict of interest as determined by IndyPL.

17. **Warranties.** Any Vendor submitting a Quote in response to this ITQ warrants and guarantees that the Vendor is fully capable of performing each task as set forth in the Quote. No limitation or exception to this warranty provision will be acceptable to IndyPL; except, it is
understood that the Vendor is not responsible for any problems in performance caused by improper acts or omissions by IndyPL.

18. Covenant Against Contingent Fees. The Vendor warrants that no person or selling agent has been employed or retained to solicit or secure the services agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Vendor for the purpose of securing business.

For breach or violation of this warranty, IndyPL shall have the right to annul the Services agreement without liability or in its discretion to deduct from fees or payments due the Vendor the commission, percentage brokerage or contingent fee.

19. Gratuities. IndyPL may, by written notice to the Vendor, terminate the right of the Vendor to proceed under the Services agreement upon one (1) calendar day notice, if it is found that gratuities in the form of entertainment, gifts or otherwise were offered or given by the Vendor, or any agency or representative of the Vendor, to any officer or employee of IndyPL with a view toward securing or amending, or the making of any determinations with respect to the performance of such Services agreement; provided that the existence of facts upon which IndyPL makes such findings shall be an issue and may be reviewed in any court of law. In the event of such termination, IndyPL shall be entitled to pursue the same remedies against the Vendor as IndyPL could pursue in the event of default by the Vendor.

   a. IndyPL is committed to providing an equal opportunity for utilization of Minority, Women, Veteran, and Disability Owned Business (“XBE”) firms in all IndyPL business.
   b. IndyPL extends to each individual, firm, vendor, supplier, contractor, and subcontractor an equal opportunity to compete for IndyPL business and strongly encourages voluntary utilization of disadvantaged and/or minorities to reflect both industry and community ethnic composition.
   c. It is the desire of IndyPL to measure utilization of XBE firms in the procurement of goods and supplies, in the retention of professional services, and in the construction and renovation of facilities. Vendors, who meet the City of Indianapolis or State of Indiana criteria of XBE firms or similar requirements for out-of-state firms, should indicate the appropriate certification and include a copy of such certification(s) in its Quote.
   d. Any Contractor in performing services under an Agreement resulting from this ITQ shall not discriminate against any worker, employee or applicant because of race, creed, color, religion, gender, national origin, age, sex, ancestry, disabled veteran status, nor otherwise commit an unfair employment practice. The Contractor will take affirmative action to ensure that applicants are considered, and employees are dealt with during employment, without regard to their race, creed, color, religion, gender, national origin, age, disability, or veteran status. Breach of this condition may be regarded as a material breach of the Services agreement.

21. Protest of Award. Any person who has an objection to the awarding of the services agreement to any Vendor by IndyPL, shall lodge that protest, in writing, with IndyPL no later than 5:00 p.m. local time of the fifth (5th) calendar day following release of IndyPL’s Notification of Award letter. IndyPL retains the right to reject all protests not filed within this time or those found to be without merit.

22. Vendor Inquiries. Any questions regarding this ITQ must be submitted in writing no later than
the date established in Attachment B and shall be directed in writing via e-mail to the Point of Contact identified on the first page. Include your name; the name of your company; the telephone number; address; and e-mail address of the person responsible for making decisions in your company.

23. **News Releases.** News releases pertaining to this ITQ, or the requested services shall not be made without written prior approval of IndyPL.

24. **Standard/Licensure Requirements.** The selected Contractor shall provide documentation to IndyPL evidencing all necessary licenses required to perform the services prior to the awarding of the contract.

25. **Out of State Vendors.** It shall be a condition to the services agreement that any out-of-state Vendor that may be selected as Contractor shall be duly registered and qualified to do business within the State of Indiana.

26. **Confidential Information and Public Records.** Vendors are advised materials contained in the Quotes are subject to the Indiana Public Records Act, IC 5-14-3 et seq. (“IPRA”), to which IndyPL must abide. After the contract award, the entire Quote less any agreed upon confidential material, may be viewed and copied by any member of the public, including news agencies and competitors. Vendors claiming a statutory exception to the IPRA must:
   a. Place all documents they consider confidential (including the requisite number of copies) in a sealed envelope clearly marked “Confidential” with the Vendor Name, IndyPL Point of Contact Name, and the ITQ Title.
   b. Provide a transmittal letter listing the included confidential material items.
   c. Indicate in the transmittal letter by citing which statutory exception provision applies to each listed confidential material item.

   IndyPL reserves the right to make determinations of confidentiality upon consultation with legal counsel. If IndyPL does not agree with the claim that the information designated is confidential under one of the cited disclosure exceptions to the IPRA, it may either discuss its interpretation of the allowable exceptions with the Vendor or reject the Quote. If agreement can be reached on the nature of the requested confidential materials, the Quote will be considered. If agreement cannot be reached, IndyPL will remove the Quote from consideration for award and return the entire “Confidential” package to the Vendor. The rest of the Quote and other supporting documentation will not be returned to Vendor and remain part of the ITQ file. IndyPL and the IPRA does not consider prices, fees, or wage rates to be confidential information as the information will be included in any agreement resulting from the ITQ. Neither party shall be liable for disclosures required by law.

VI. **GENERAL TERMS AND CONDITIONS**

Any Vendor entering into a Service agreement with IndyPL must agree to several general terms and conditions. If a Vendor cannot agree to any of the stated general terms and conditions, its Quote must clearly state the reason for any such non-compliance.

The submission of the Quote herein constitutes the agreement of any Vendor that any contract to be drawn as a result of an award herein will be prepared by IndyPL. The submission of a Quote shall further constitute the agreement of each Vendor that it shall not insist on the use of standard contract agreements, documents, or forms, and that it waives any demand for the use of its standard agreements. The language of the services agreement to be
executed will be drafted under the supervision of IndyPL’s attorney and shall be the controlling document. Contractor may submit copies of their applicable standard contract forms for information purposes.

1. **Compliance With Laws.** In performing under a service agreement, the Contractor shall comply with all applicable laws, ordinances, rules, regulations, and codes of Federal, State, and local governments.

2. **Continuation During Disputes.** The Contractor agrees that, notwithstanding the existence of any dispute between the parties, insofar as is possible under the terms of the services agreement to be entered into, each party shall continue to perform the obligations required of it during the continuation of any such dispute, unless enjoined or prohibited by any court.

3. **Organization Employment Disclaimer.** Any services agreement entered into as the result of this ITQ will not constitute, create, give rise to, or otherwise recognize a joint venture, agreement or relationship, partnership, or formal business organization of any kind between the parties, and the rights and obligations of the parties shall be only those expressly set forth therein. The Contractor will agree that no persons supplied by it in the performance of the contract are employees of IndyPL and further agrees that no rights of IndyPL’s civil service, retirement or personnel rules accrue to such persons.

The Contractor shall have sole responsibility for all salaries, wages, bonuses, retirement, withholdings, workers’ compensation and occupational disease compensation insurance, unemployment compensation, other benefits and taxes and premiums appurtenant thereto concerning such persons provided by such Contractor in the performance of the contract and shall save and hold IndyPL harmless with respect thereto.

4. **Method of Payment.** The Contractor shall be required to participate in the IndyPL Electronic Fund Transfer (“EFT”) invoice payment program for the electronic transfer of funds directly to the Contractor’s designated banking account for payment of approved invoices. Invoices submitted must contain the purchase order number under which the Services agreement is awarded. Contractor shall submit invoices to the addressee designated as the Point of Contact person in the ITQ. The Contractor shall submit monthly invoices. Each payment requested shall include a detailed breakdown of all charges. All invoices will be paid promptly by IndyPL unless any items thereon are questioned, in which event payment will be withheld pending verification of the amount claimed and the validity of the claim. The Contractor shall provide complete cooperation during any such investigation.

5. **Insurance.** Contractor shall secure, pay for, and maintain the required insurance policies in full force and effect throughout the term of an Agreement that may be entered between the Contractor and IndyPL.
   a. The policies shall protect against any loss or claim arising from or relating to the Agreement, Contractor’s Service and activities, or presence at IndyPL Facilities, and any act or omission of Contractor or its employees and/or agents or Subcontractors in connection with the services provided under the Agreement, and shall cover the contractual indemnification liability assumed by Contractor pursuant to the Agreement:

e. These insurance provisions are minimum requirements and shall not relieve Contractor of its indemnity, defense and hold harmless obligations.

6. Suspension of Work/Termination or Suspension. IndyPL reserves the exclusive right to terminate or suspend all or any portion of the Services for which the Contractor is employed by giving one (1) day written notice to the Contractor; however, if any portion of the Services shall be terminated or suspended, IndyPL shall pay the Contractor equitably for all services properly performed prior to termination. If the Services are suspended and the Contractor is not given an order to resume work within sixty (60) days from the effective date of the suspension, the Agreement will be considered terminated.

7. Prime Contractor Responsibility. Planned use of subcontractors in connection with providing the requested Services should be clearly explained and described in the Vendor Quote. The Contractor will be responsible, and must take responsibility, for the performance of the Services whether or not subcontractors are used.

In Contractor/subcontractor arrangements involving more than one firm, it does not matter to IndyPL which firm assumes the lead, as long as that firm assumes full responsibility for the performance of the Service. IndyPL will only enter into an Agreement with the prime Contractor.

8. Confidentiality of Information. The Contractor shall treat all information furnished by IndyPL and Services provided hereunder as confidential. The Contractor shall not disclose such information to others without the prior written consent of IndyPL.

9. Audit of Quote Records. The Contractor must keep all resulting Quote records separate and make them available for audit by Library personnel or Indiana State Board of Accounts personnel during the term of the Agreement and upon request for a period of three (3) years after the end of the Agreement term and completion of the Services.

10. Employment Verification Requirements. Contemporaneously with the execution of this Agreement Contractor shall execute and deliver to IndyPL the attached Affidavit affirming that Contractor does not knowingly employ an unauthorized alien. Contractor shall not retain an employee or contract with a person that Contractor subsequently learns is an unauthorized alien. MBE/WBE/VBE/DOBE Business Utilization Program Summary, and
MBE/WBE/VBE/DOBE Utilization Goals Plan for Construction Goods/Supplies and Services

MBE/WBE/VBE/DOBE BUSINESS UTILIZATION PROGRAM SUMMARY
The Indianapolis Public Library is committed to maximizing subcontracting opportunities for all qualified and available MBE/WBE/VBE/DOBEs. The MBE/WBE/VBE/DOBE Business Utilization Program applies to Library funded contracts of at least $50,000.00.

There are two components of the MBE/WBE/VBE/DOBE Business Utilization Program:

1. MBE/WBE/VBE/DOBE Utilization Goals: This component requires vendors to make subcontracting opportunities available to minority, women, veteran, and disabled-owned businesses certified by the City of Indianapolis’ MBE/WBE/VBE/DOBE program at the minimum percentage stated in the invitation to bid/quote/proposal. To count towards the MBE/WBE/VBE/DOBE utilization goal, the MBE/WBE/VBE/DOBE must be certified in the category code(s) that will be used for the contract. A list of City-certified MBE/WBE/VBE/DOBEs is available on the City’s website at https://www.indy.gov/activity/find-omwbd-contractor.

2. Outreach/Good Faith Efforts: The MBE/WBE/VBE/DOBE Outreach/Good Faith Efforts component requires vendors who do not meet the stated utilization goals to provide evidence of outreach efforts and good faith efforts made to subcontract with MBE/WBE/VBE/DOBEs.

To be eligible for an award of the contract, IndyPL will first determine whether a vendor meets the stated minimum percentage of MBE/WBE/VBE/DOBE subcontractor utilization. The percentage is stated in the invitation. If a vendor does not meet the stated minimum percentages, a request for program waiver must be submitted with the bid/quote/proposal, using the attached Application for MBE/WBE/VBE/DOBE Program Waiver Form. IndyPL will review the submitted documentation to determine a score for the vendor’s outreach/good faith efforts.

Pursuant to the MBE/WBE/VBE/DOBE Business Utilization Program requirements, the following items are included in the invitation and must be completed, signed, and submitted in each bid/quote/proposal. Failure to complete these forms with all the pertinent requested information may cause a bid/quote/proposal to be determined as non-responsive.

1. MBE/WBE/VBE/DOBE Utilization Goals Plan for Construction, Goods/Supplies, And Services Form.

2. Application For MBE/WBE/VBE/DOBE Program Waiver Form, if a vendor does not meet the stated minimum percentages with subcontractors.

3. Letter Of Intent to Perform as A Subcontractor/Supplier Form: must be completed and submitted to IndyPL after quote as part of the Post-Quote Submittal Information.
