

WE WANT YOUR INPUT!

IndyPL is excited to announce the beginning of the planning process for the new Glendale Branch, located at the John Strange Elementary School site.

Let us know what do want to see in a new library building. Each family member can participate! Instructions:

- 1) Grab some stickers.
Select 2 **BLUE** stickers - these go on images you like.
Select 1 **YELLOW** sticker - this goes on an image you dislike.
- 2) Write a note on each sticker.
Tell us what you like or dislike about the image.
- 3) Place your stickers on the images.

We will be recording responses regularly, and bringing these boards around to different community events.

Thank you for your feedback!
