This Addendum, issued prior to receipt of the Statement of Qualifications, alters, amends, corrects, or clarifies the Request for Qualifications to the extent stated herein and does thereby become a part of the RFQ and the subsequent Contract with the successful vendor.

1. Response to Vendor Submitted Questions:

Q1: Is it accurate to calculate the total construction budget at \$2,345,000? (Items 2,3 & 4 of Attachment 'C', page 21).

A1: No. The items in the Owner Hard Expense budget will not be included in construction budget.

Q2: Will the Design-Bid-Build construction delivery process be used for this project?

A2: Yes.

Q3: Can the aggregate total for M/W/V/DOBE utilization goals (27%) be redistributed in the event one or more M/W/V/DOBE utilization categories are unavailable?

A3: No. Library Policy has established 4 separate utilization goals.

Q4: Are we limited to showing three projects, or could we group several projects into 3 specific categories?

A4: Three projects are requested.

Q5: Can we include a link to a video of a project in the submittal?

A5: Yes.

Q6: If partnering with another firm do we need to submit both firms' financial documentation, claims & litigation, and conflicts of interest?

A6: We are requesting financial, claims, and litigation information from the vendor that will be contracted for the services. We are requesting any conflicts of interest the vendor or any team member may have with IndyPL or the Project.
